Dear Mrs Manley:

This is to inform you that the Negro American League has cancelled the exhibition games of the Black Yankees, this spring, on account of the fact that we have the players from the St. Louis Stars, which the NNL unanimously voted that I could use. This is definitely a league matter and since they are taking this step against us they must intend to do the same against the remainder of the teams of the NNL.

Kindly let me know if you can barnstorm with us in the south three or four sundays in April, commencing on the 5th through the 19th. If so, I will contact the southern parks at once and make the arrangements.

Very truly yours,

James Semler
